

the Story of Conservative / Liberal values

(This pretty much describes our Country today)

If *the conservative* doesn't like guns, he doesn't buy one.

If a liberal doesn't like guns, he wants all guns outlawed.

If *the conservative* is a vegetarian, he doesn't eat meat.

If a liberal is a vegetarian, he wants all meat products banned for everyone.

If *the conservative* sees a foreign threat, he thinks about how to defeat his enemy.

A liberal wonders how to surrender gracefully and still look good.

If *the conservative* is homosexual, he quietly leads his life.

If a liberal is homosexual, he demands legislated respect.

If a black man or Hispanic are *conservative*, they see themselves as independently successful.

Their liberal counterparts see themselves as victims in need of government protection.

If *the conservative* is down-and-out, he thinks about how to better his situation.

A liberal wonders who is going to take care of him.

If *the conservative* doesn't like a talk show host, he switches channels.

Liberals demand that those they don't like be shut down.

If *the conservative* is a non-believer, he doesn't go to church.

A liberal non-believer wants any mention of God and religion silenced. (Unless it's a foreign religion, of course!)

If *the conservative* decides he needs health care, he goes about shopping for it, or may choose a job that provides it.

A liberal demands that the rest of us pay for his.

If *the conservative* slips and falls in a store, he gets up, laughs and is embarrassed.

If a liberal slips and falls, he grabs his neck, moans like he's in labor and then sues.

If *a conservative* reads this, he'll forward it so his friends so they can have a good laugh.

A liberal will delete it because he's "offended".
